Go, See, Do! Summer at CALS.

July in Arkansas is a month that stretches out – kids are fully into the swing of summer, boredom has started to set in, and the oppressive heat makes time outdoors less and less fun (at least when there isn't any water involved). CALS to the rescue! July is packed with events that will entertain any age group and won't hit you where it hurts (your wallet).

If you haven't already, sign up for Summer Reading Club; it's open to all ages and is a great way to encourage reading throughout the summer, and there are even prizes! To enter the prize drawings, keep track of the books you read and library events you attend on CALS.beanstalk.org. It's that easy! CALS has planned a month full of accompanying activities including magicians, drum lessons, concerts and crafts! All Summer Reading Club events are free.

The Friends of CALS used book sale is back and we are packing out the basement ready for you to find your next favorite beach (or couch) read. With \$1 paperbacks and \$2 hardbacks, there's no reason not to overflow your bookshelves. Join us over the weekend of July 7-9. (And yes, there will be one more book sale in the fall).

Ron Robinson Theater has two opportunities per week to watch some fun films on the big screen. Join them for Terror Tuesdays and Extra-Terrestrial Thursdays. Tickets are \$7 each. And do not miss the interactive screening of The Rock Horror Picture Show (\$10 tickets).

If art is more your thing, the Galleries & Bookstore at Library Square have several events to get you out of the house and steeped in the culture of local art. 2FAN (Second Friday Art Night) on July 8 will have artists, authors and a food truck. The new "Saturdays at the Galleries" brings a different local artisan each Saturday afternoon to explain their artist approach.

Whether you stay around Library Square or make your way to your local branch, CALS has something to help everyone in your family chase away that summer boredom.

REGISTER NOW AT
[CALS.BEANSTACK.ORG](https://cals.beanstack.org)

Summer Reading Club encourages reading and engagement in library activities for all ages.

Online registration is available at cals.beanstack.org or through the Beanstack Tracker mobile app.

All summer readers can receive a free book bag at their local branch while supplies last. The first 1,000 children (ages 6-12) to register will receive a badge book to track their reading progress all summer long.

Using Beanstack, the online tracking platform, readers can get book recommendations and earn digital badges for logging books and films, writing reviews, participating in library programs, and other activities.

Every badge earned will count as an entry in our weekly prize drawings.

DIY MEMORY LAB AT ROBERTS LIBRARY – OPEN NOW

CALS Roberts Library has created a DIY Memory Lab so patrons can digitize their family photographs and (coming soon!) personal VHS/Beta video cassettes and audio cassettes. The Memory Lab is available by appointment for patron use Tuesday through Friday 10am to 4:30pm, and on Saturday as needed.

It is intended to be DO-IT-YOURSELF with a little training, but staff is available to assist you. The Memory Lab is open to everyone; a CALS Library Card is NOT required.

More information is available at RobertsLibrary.org/MemoryLab, or call the Roberts Library Research Room (501-320-5700) or email (memorylab@cals.org).
